

Declaration of website availability for Catering and Hospitality School

Catering and Hospitality School is obliged to ensure the availability of its website in accordance with the Act of 4th April 2019 on the digital availability of websites and mobile applications of public bodies. The accessibility statement applies to Catering and Hospitality School website.

Date of the website publication: 05th August 2019

Date of the last major update: 05th August 2019

The website partly complies with the Act on the digital availability of websites and mobile applications of public bodies due to incompatibilities or exclusions listed below.

On the grounds of the website content analysis based on the principles and guidelines of the availability of WCAG 2.1 at levels A and AA, it was found out that the website www.zsgh.edu.pl is not fully accessible to people with disabilities. A disabled person may have difficulty in navigating it efficiently. We are dealing here with errors that have a barrier character. This means that access to certain information on the site will be difficult or even impossible.

Upon a written request or telephone contact, the responsible person will prepare the information in such a way that the information is correctly forwarded to the person concerned.

The statement was updated on the 15 of March 2021. The declaration was supplemented on the basis of an audit carried out on the 5 th of March 2021.

Feedback and contact details in case of problems

In case of problems with the availability of the website, please contact us. The duty holder is Marta Monika Bagińska, the email: martam.baginska@chmura.zsgh.pl . You can also contact us by calling 22 810-04-89. In the same way, you can submit requests for information that is not available, and you can complain about the lack of availability. Everyone has the right to request the availability of a digital website, mobile application or any element thereof. Alternatively, the information may be made available in alternative forms, e.g. reading a digitally inaccessible document, describing the content of the film without audio description, etc. The request should contain the data of the person making the request, an indication of which website or mobile application is concerned and the way of contact. If the requester indicates the need to receive information in an alternative form, he should also specify the form of that information.

The public body should make the request immediately and no later than within 7 days. If it is not possible to meet this deadline, the public body shall immediately inform when it is possible to make the request, whereby this deadline may not be longer than 2

months. If accessibility cannot be ensured, the public body may propose an alternative way of accessing the information.

In the event that the public body refuses to comply with a request to ensure availability or alternative access to information, a complaint may be lodged against such action.

After all options have been exhausted, you can also send a complaint to the Ombudsman.
